

# MALL GUIDE

## WELCOME

As Al Ain's first and favourite shopping and entertainment destination, Al Jimi Mall offers families and shoppers an exciting array of their favourite brands in the very heart of the Garden City.

The recent expansion and renovation programme, designed to bring more choices to shoppers, has added a further 88 new brands to the mix. These include an outdoor Retail Park, an 8-screen VOX Cinemas, 3 giant home category brands, and new fashion and F&B brands, bringing the total leasable area to 78,000 square metres.

The Retail Park, on the north side of the mall, consists of 10 big box retail units with sizes ranging from 1,500 metres to 6,500 square metres designed in a flexible way to accommodate different retailers, family dining and coffee shops, an event plaza and front-of-store parking for more than a thousand cars.
